All Haven and Home Series privacy panels feature our patented GlideLock® technology to make sure all boards lock tightly into place without any gaps.
8' x 6' privacy panels are also available (in white only).

Colors Available:

* All panels are not available in all series, colors and sizes.

Note: The Cambium Series may have shade differences between product components as a result of the wood grain manufacturing process used to ensure a true wood-like appearance.

AY tip

Privacy panels can also be used for all your pool, protection and decorative fencing needs.

Why ActiveYards®

We are the leading American manufacturer of low maintenance, lifetime warranted fencing systems. We believe there is no reason to sacrifice performance, beauty and style for function or price. Whatever problem you're trying to solve, we have a solution for you.

Whether you are seeking privacy for or from your environment, seeking protection for your prized possessions, completing the final touch around your pool, or just looking to add decorative curb appeal to enhance the value of your home, ActiveYards has your solution. You will start your shopping process with ActiveYards by selecting a solution from our Privacy, Protection, Pool or Decorative options.

3^{ways} Shop. Select. Install.

We offer the freedom of choice from how you can shop for your fencing solution to the actual installation. After you choose the style that best serves your need, we provide a series of quality grades and designs to select from. And finally, you decide which installation option best suits your project and budget.

Whatever you decide, we will help you every step of the way. The result of the choices you make will provide you with YOUR fencing solution for life.

Cambium® Series

Dogwood
Saddlewood

Dogwood,
Birchwood

Dogwood,
Redwood

Cambium® technology is an innovative new wood grain finish inspired by the natural endurance of trees. Just as cambium cells in a tree keep it healthy year after year, our Cambium stays strong and beautiful too.

The key to Cambium's industry leading weather resistance is SolarGuard®, an advanced color retention technology that protects the finish from the sun's harmful rays. SolarGuard technology is infused as the fence is created for a lasting, like-new finish.

Fusion® Series

Sequoia
Saddlewood

Sequoia
Redwood

Sequoia
Birchwood

With all the same unique patented ingenuities from ActiveYards, the new Fusion® Series represents two ActiveYards fencing materials combined together to create product synergy at its finest.

The Fusion Privacy Fence is a beautiful combination of our GlideLock® vinyl boards and durable powder coated aluminum frame infused with our exclusive SolarGuard® color retention technology that creates a modern, sophisticated look that stands out from the rest.

Our Ingenuities. Your Advantages.

SOLARGUARD™

Color that Lasts

Every fence we make is infused with our exclusive color retention technology, which helps protect it from the harmful rays of the sun.

GLIDELOCK™

Privacy & Strength

Our GlideLock® design makes sure each board locks tightly into place without any gaps providing you the seclusion and privacy you want for your yard.

STAYSTRAIGHT™

Perfectly Balanced

StayStraight® technology is the exclusively engineered ActiveYards rail system designed to prevent substantial long term bowing or sagging.

CORIGIN™

Fortifies the Core

An innovative construction system that connects the pickets and rails from the inside out producing a longer lasting, stronger and better looking fence.

CAMBIUM™

Natural Beauty

Our Cambium® technology gives you all the natural looking beauty of real wood, without the need for continued upkeep and maintenance.

STAYSQUARE™

Perfectly Strong

StaySquare® Gate Systems featuring innovative gate pockets are exclusively engineered for strength without the use of a brace.
