Board Privacy

Board on Board

*Board on Board and Board Privacy panels can be built with any of our board top options! (seen below)
 *100% cedar boards and backer rails, means less maintenance that may be routine with other fence materials.
 *Cedar may be left unfinished to weather/bleach naturally to a silvery grey, or it can be stained to add color and contrast to the landscaping around your home.
 *Stockade/Picket Panels use 2x3 Molded Front Cedar Pickets (slight curve) - Board Privacy Panels use 1x4 Flat Cedar Boards
